

Employee Benefits Platform Expansion

InsurChoice Voluntary Benefits Option Added

Your LeadingAge Connecticut membership just got even better with access to [InsurChoice™ Personal Insurance Solutions](#), now offered on the [Employee Benefits Platform](#) we offer as a member benefit and which is powered by NFP.

Designed with our members in mind, InsurChoice™ offers your employees the ability to personalize their own protection – bringing them quick and convenient coverage with incredible cost savings across a variety of top-rated insurance carriers. Employees can elect whichever coverage they like, including:

- Auto
- Dental
- Home
- Pet Insurance
- Travel Protection
- Mental Wellness
- *And more!*

[NFP Corporate Services](#) is one of the largest insurance brokerage and consulting firms and is LeadingAge Connecticut's partner for our [Employee Benefits Platform](#) currently offered as a **member benefit**. They work with some of the top national carriers, including Travelers, Safeco, Progressive and Nationwide.

Why Offer InsurChoice™?

Your employees will get competitive coverage at competitive prices. By inputting their information online, they'll receive a quote within minutes. NFP helps match them with the best rates, so they can select the products that meet their individual needs.

- No open enrollment to manage; employees can shop for coverage at any time.
- **No payroll deductions needed**; employees set up their own payment source.
- Your organization can offer easy access to a supplemental benefits package immediately!

Next Steps

Have a conversation with our partners [Ryan Lawless](#) & [Gil Keegan](#) at NFP to better understand how you can make InsurChoice available to your employees and how it can help your organization attract and retain talent.
